AN UPDATE FROM THE DIRECTOR

Warmest Greetings to Our Cherished Supporters and Well-Wishers!

It is with immense joy and heartfelt gratitude that I share the latest milestones and celebrations at Rainbow Children Home Nepal. Over the past months, our children have embraced a vibrant array of cultural festivities, including Christmas, Maghe Sankranti, Saraswati Puja, Shivaratri, Holi, and School Parents' Day, as well as cherished moments like picnics and birthday celebrations. These events have not only fostered a deep appreciation for our rich traditions but have also strengthened the bonds of unity and joy within our home. Seeing the children's confidence bloom through public speaking, stage performances, and teamwork has been truly inspiring. Their laughter, energy in games, and passion for music and dance remind us why we strive every day to nurture their growth.

A significant achievement this year has been the successful completion of their academic term, a testament to their hard work and dedication. Beyond the classroom, the opportunity to visit their families has provided them with renewed strength and connection, reinforcing the importance of love and belonging. None of this would be possible without the unwavering generosity of our donors, supporters, and volunteers. Your kindness has given these children not just a safe and nurturing home, but the chance to dream, learn, and build a promising future. Many of our former children are now carving their own paths—some even pursuing careers abroad—a reflection of the profound impact your support has made.

As we look ahead, our commitment remains steadfast in enhancing our programs and facilities, ensuring every child receives the care, education, and opportunities they deserve. On behalf of the entire Rainbow Children Home Nepal family, I extend my deepest gratitude to each of you. Your continued support fuels our mission and brings hope to these incredible young lives. Together, we are shaping a brighter, more promising future—one filled with endless possibilities.

Thank you for believing in us, standing with us, and making a lasting difference.

With deepest appreciation,

[Goma Dhakal]
